At last the Maggie and Rose books are here and even if I do say so myself they are lovely! Come & join us for the many book readings & signings going on this month, (check out our calendar on reverse). And as of Monday it can also be found at the club and on our website.

As the days are getting shorter and the evenings are getting longer, check out our calendar for Sunday night movie & supper club. Join us for a crafty and cosy afternoon. show off creative skills in the studio, make scrumptious snacks in the cooking school, then lounge in front of the big screen in our snug. It's the perfect end to a wintery week.

We are very excited about our Christmas programme (enclosed) this year. It's a fantastic chance to make some authentic gifts, burn off excess boredom and above all get into the festive spirit and for any little elves interested there is a 10% discount for any bookings made before 1st December.
